From the East

My Brothers:

June is here and summer is definitely in the air along with the heat. After June we will be dark during July and August and will be heading right in to our first DDGM visit. I am again encouraging all our members that can to please attend as often as possible. We are doing well and have everything all caught up at Beach Lodge.

We also have a few newer masons in line and doing catechisms and a couple that are going to advance as well as a new candidate or two getting in line.

Again also I encourage ALL our brothers to get your MM and Masonic Leadership training done as soon as possible. Whether you intend on getting in line for the leadership roles or not there is a lot of good information there and it will aid to understanding and knowledge for your Masonic travel.

Fraternally,
Steve Austin

Also, for a donation of \$120/year or \$10/month we can include a business card size ad or personal note under the "Business Partners of Beach Lodge" section. From the South

My Brothers,

It's an exciting time here at Beach Lodge. With new candidates coming through our doors at almost every meeting. We're constantly striving for improvement both with our social gatherings before meetings and in our ritual work. We have been making a strong comeback from previous years. It is my hope that our Lodge will continue to grow so that we can better serve our community as well as promote our craft to all who may be interested.

The moment has arrived for us to embrace technological progress and enhance our membership experience. Effective from April 6, 2023, Circumscribe will no longer be available, and we are transitioning to the Amity App, which aligns with modern technology trends.

Utilizing their smartphones, members can conveniently retrieve information through the Amity App. Additionally, a Member's Portal is in development, like the Secretary's Portal, enabling access to membership details and the opportunity to undertake Master Mason Exams. Although this feature is not currently active, its launch is approaching, and further details will be shared in due course.
