From the East

My Brothers:

To all of my Brothers, whenever you are washing your hands after returning from some place that you may feel suspect of, I have a suggestion that might just make your hand washing an event that doesn't require you to watch the clock to ensure that you have done a thorough job of washing your hands.

So instead of being a clock watcher try saying: The Lord's Prayer, A Hail Mary, The 23rd Psalm, or even The Pledge of Allegiance. All of these will take you the approximately 20 seconds that have been deemed sufficient to ensure thorough cleaning of your hands.

Again I will reassure you that any time you come to the lodge to attend a meeting that each of us will have our temperatures taken, sanitize our hands, wear a mask and observe social distancing. So please don't have any reservations about attending lodge during this pandemic. We at the lodge are all doing our very best to ensure that we are respectful of one another and to prevent any problems related to this COVID-19 problem.

But also remember that we are not providing a dinner or coffee prior to the Lodge meeting. We will however still have bottled water available.

So I do hope that as you read this Trestleboard you will give consideration to once again coming to your lodge. Reignite those Masonic fires that were burning early on in your Masonic days and you will find that you can once again feel that enthusiasm that you thought was gone

Fraternally,

Harry Levey

Worshipful Master
